EXPLANATORY PREFACE

This Register contains the names of all the Schools of the Provincial System except the English-French schools, and of the teachers employed therein for the school term ending December, 1925. It also contains certain information regarding each school, including the name and address of each secretary, and also the name, address, salary and grade of certificate of each teacher.

For convenience this information has been divided into five parts, as follows:

Part I—The Public Schools of the City Inspectorates, pages 6 to 50.
Part II—The Public Schools of the County Inspectorates, pages 52 to 373.
Part III—The Public Schools of the District Inspectorates, pages 376 to 439.
Part IV—The Roman Catholic Separate Schools, pages 442 to 523.
Part V—The Secondary and the Professional Training Schools, pages 527 to 629.

The Inspectorates have been arranged alphabetically in Parts I and II, and numerically in Parts III and IV. An index of the names of the Inspectors has been provided on pages 525 and 526. A summary of the numbers of teachers holding the several grades of certificates has been placed at the head of each Public and Separate School Inspectorate and a general summary for the Province on page 524. The number of schools in each Inspectorate is also indicated in each heading, except in Part I, where it is indicated at the end. In each Inspectorate in Parts II, III, and IV, the Rural Schools are placed first, followed by the schools of the Urban Municipalities. In the case of Part V, the information given is that formerly published in the Minister's Annual Report.

The compilation of this information has been undertaken primarily in the hope that it may assist in supplying all the schools of the Province with the best teachers available. It should be noted, however, that the statistics contained herein have been compiled, not from the Departmental Registers, but from Special Reports by the Inspectors or Principals concerned. Frequent changes in the schools render absolute accuracy in the list of teachers impossible.
